Recommended Fly Patterns for Eagle River Trout Lodge

Brook Trout Patterns

Dry Flies

Kaufman Stimulators, # 8-12 in Olive, Yellow, Orange
White Wulff, Grey Wulff, #8-16
Adams, #10-16
Mayfly simulators, olive #14-16
Usual size #10-16
Black gnat, wet, #16
Goddard Caddis sizes #10-16
Elk Hair Caddis sizes #10-16

Streamers

Muddler minnow, standard, #4-8
Muddler minnow weighted, #6-10
Woolly Bugger, black, purple and white, #4-8
Rabbit leech, black, #6-8
Wool head sculpin, olive, #4-6

Mice Flies

Hair mice, #2
Jointed lemming, #2/0

Northern Pike Patterns

Deceivers 1/0-4/0 in blue/white or red/white
Monster Streamer Shad Pike Fly size #4/0
Swimming Frog sizes #4
Mice patterns
Reel Tiger Perch Tube size #2

NOTE: This is a partial list of flies we know will catch fish. We have taken large fish of five pounds plus on very small flies at times (#16-20). *Parachute patterns* are very good in Wulff and Adam patterns. Large bombers for Atlantic salmon also take large trout, best color combination is brown body with orange hackle (sizes 2-6).
